CLIENT QUESTIONNAIRE

NAME: Charles Comella

Now that your case has been concluded, we want to express our appreciation to you for allowing us to handle a matter of such importance. For the most part, our clients come as a result of recommendations made by former clients. For that reason, we are very interested in your perception of how we have handled your case and we would appreciate you completing the following questionnaire.

1. Were you satisfied with the settlement amount or jury verdict achieved in the case?

yes.

2. Could we have handled the case better, or differently, to serve you better? If so, how?

I am satisfied with the handling of the case. I had no previous experience of this nature to compare it too.

3. What part of the way your case was handled were you most pleased with?

I appreciated the way Brian my attorney, endured with patience my many questions and concerns along the way. I didn't realize the process could or would last this long, although Brian warned me it might.

4. What was the most important thing that caused you to decide to hire us?

I had inquired of some people their opinions; One or two had mentioned Brian Carter's name, and a doctor recommended him.

5. Would you refer others, relatives or friends, to our firm, if they were seriously injured in an accident, or needed legal counsel for any reason?

a. If so, why? Yes, I would. I believe they would be given the attention they need to feel comfortable enough to move forward with M+B

b. If not, why not?

6. Please share your thoughts regarding your interaction with our staff during the progression of your case - from your initial contact with our firm through the conclusion of your case.
