Now that your case has been concluded, we want to express our appreciation to you for allowing us to handle a matter of such importance. For the most part, our clients come as a result of recommendations made by former clients. For that reason, we are very interested in your perception of how we have handled your case and we would appreciate you completing the following questionnaire.

1. Were you satisfied with the settlement amount or jury verdict achieved in the case?

yes

2. Could we have handled the case better, or differently, to serve you better? If so, how? my only concern was the time span, but I understand every case is different.

3. What part of the way your case was handled were you most pleased with?

How well the legal team fought to make sure the issues would get resolved.

4. What was the most important thing that caused you to decide to hire us?

The company reviews

5. Would you refer others, relatives or friends, to our firm, if they were seriously injured in an accident, or needed legal counsel for any reason?

a. If so, why? yes, due to the matter of the firm not giving up on my case. After me being scared to undergo the operation, considering how much time had passed and seeing other people's concerns and reviews of the procedure.

b. If not, why not?

6. Please share your thoughts regarding your interaction with our staff during the progression of your case - from your initial contact with our firm through the conclusion of your case.

The staff worked diligently on my case, when it came to filing and scheduling dr visits, mri's and making sure I would get treated. Even though the employer put up a fight and dragged the case out.
