6. Please share your thoughts regarding your interaction with our staff during the progression of your case - from your initial contact with our firm through the conclusion of your case.

Everything was great. I was greeted with all smiles. Anytime I verbally spoke with someone they were so kind and very quick to answer my questions. If I text you all were prompt with replying or calling instead of texting. I've never experienced what I went through and I've heard terrible stories about attorney's when you hire them after accidents. So, I'll stand u proud to say I didn't experience anything bad and I'am so grateful to have Michles and Booth P.A as my law firm.
